Derry Birkett

Head of Design / Design Director

PROFILE

Design leader with 20+ years building and scaling high-performing product teams across SaaS and enterprise. Grew CloudBees design from 3 to 9, led a 'quantum-leap' core-product redesign, and set design-system standards used by 300+ engineers — all while staying close to the craft. Relocating to London / UK; open to Head of Design and Design Director roles.

EXPERIENCE

Independent Design Consultant — Design Leadership & Product Systems — Monospace.Studio

05/2026 - Present

Europe

Independent product design and design-systems practice; contracting and product design labs.

Head of Product Design — CloudBees

02/2020 - 04/2026 · 6 yrs

- Expanded the design team from 3 to 9, overseeing specialists across research, product UX, design systems and AI/agents.
- Spearheaded a core-product redesign that customers described as a 'quantum leap' in user experience.
- Initiated and built the company's first AI chatbot dashboard (Beebot) at a hackathon, prototyping agentic onboarding features.

Lead, Design Systems — Oracle

11/2016 - 02/2020 · 3 yrs

- Led a team of 4 (2 UX designers, 1 visual designer, 1 content strategist).
- Ran a design sprint to define the product-refresh strategy, then delivered a comprehensive UI catalog and component library.
- Authored documentation that became the cross-organisational standard for 300+ engineers.

Freelance UX Designer — D2T Studio

03/2012 - 09/2016 · 4 yrs

Barcelona, Spain

- Telanto: delivered a design system, brand refresh and full marketing website as part of a two-person team.
- Exabyte/Mat3ra: sole designer repositioning the product from a tool to a platform-centric onboarding experience.
- IESE: persona review, story-mapping, information architecture, wireframing and working prototypes.
- Life Agency Bologna: art direction and visual design across diverse projects.

Founder — ShortStayApartments.com

09/2007 - 03/2011 · 3 yrs

Barcelona, Spain

- Bootstrapped a SaaS rental platform, growing it to 500+ property listings.
- Achieved a successful acquisition exit in 2011.

Senior Designer — Machinas

07/2005 - 09/2006

Barcelona, Spain

- E-commerce visual and UI design for the Esprit global store.

EDUCATION

BA, Computer Systems Analysis

1995 - 1999

University of the West of England, Bristol
